Frequently asked questions:

What team am I on?

Team rosters will be posted on DCSaints.com on May 16. Coaches will attempt to contact their players by May 16. If you haven't been contacted by a coach by May 16, please check DCSaints.com or call the Commissioner of your age group for more information.

How are the teams chosen?

1st and 2nd Grade: Players are randomly placed on a team.

3rd & 4th Grade: Coaches observe player skills at the all-league practice, and at a later meeting attempt to divide the players evenly. The coaches are then randomly assigned a team.

5th & 6th Grade: Same as 3rd & 4th.

When are practices?

The first practice for 3rd, 4th, 5th, and 6th grades is the all-league practice on May 2 (see above). All 3rd, 4th, 5th, and 6th grade players are encouraged to attend.

During the season, coaches determine practice times and locations. Job, etc. responsibilities vary from coach to coach, so each coach schedules practices according to their availability, and field availability. The coaches are requested to conduct at least one practice per week.
